Date: September 21, 2026
Valid for 30 days

FROM	PREPARED FOR
3P Safety Patrick Salazar patrick.salazar@3psafety.net (252) 229-5238 www.3psafety.net	Sartori Company Attn: Don McNeff, Manager – Environmental, Health and Safety 107 N. Pleasant View Road, Plymouth, WI 53073 dmcneff@sartoricheese.com O: 920.449.7851

ENGAGEMENT

Part-Time On-Site Safety Technician — one credentialed safety technician providing a consistent floor presence across Sartori Company's three Plymouth, WI facilities: conducting safety observations, identifying and correcting hazards in real time, engaging directly with production employees on safety concerns, and assisting the EHS Manager with incident investigations and training.

Facilities	2 East Main St, Plymouth, WI • 12 West Main St, Plymouth, WI • Sartori Whey, W4200 County Rd PP, Plymouth, WI. Daily rotation among the three sites set with the EHS Manager.
Schedule	Part time, Monday–Friday, 6:00 AM – 11:00 AM (5 hours/day, 25 hours/week). Occasional weekend shifts available on request; not mandatory.
Duration	Short term to start, open-ended; billed week to week with no minimum contract period. May develop into a full-time position (see Terms).
Start	As soon as possible. Candidate profiles within 3–5 business days of go-ahead; on site within 5 business days of candidate selection, subject to Sartori onboarding and site-access requirements.
Reports to	Don McNeff, Manager – Environmental, Health and Safety.

PRICING

DESCRIPTION	RATE
Safety Technician — straight time Monday–Friday scheduled shifts, 6:00 AM – 11:00 AM. Billed on actual hours worked; 5-hour minimum per scheduled shift.	\$73.00 / hour
Safety Technician — weekend shifts Saturday and Sunday shifts scheduled at Sartori's request with at least 48 hours' notice (1.5× straight time). 4-hour minimum per weekend shift.	\$109.50 / hour
Overtime Any hours over 40 in a work week, or over 8 in a day when requested by Sartori (1.5× straight time).	\$109.50 / hour
Per diem, mobilization & demobilization Not applicable — this quote is priced on a Plymouth-area (local) placement. Should a traveling technician be required, per diem at the published U.S. GSA rate for the locality would be confirmed with Sartori in writing before assignment.	\$0.00
Recruiting, placement, administrative or conversion fees	None

ESTIMATED BILLING AT THE STANDARD SCHEDULE	
Weekly — 25 hours (5 days × 5 hours) at \$73.00	\$1,825.00 / week
Monthly — approx. 108 hours (25 hours × 4.33 weeks)	approx. \$7,900.00 / month
Optional weekend shift — 5 hours at \$109.50	\$547.50 / shift

Estimates are for budgeting only. Invoices reflect actual hours worked and approved on the weekly timesheet. The hourly rate is all-inclusive: wages, payroll burden, Workers' Compensation and liability insurance, background and drug screening, credential verification, onboarding, and standard PPE.

SCOPE OF WORK

- **Daily floor presence** across the three Plymouth facilities on a rotation agreed with the EHS Manager, working alongside production and maintenance teams during the 6:00–11:00 AM window.
- **Safety observations and hazard identification** — documented behavioral and condition observations, real-time hazard identification and correction, PPE and housekeeping checks, and follow-up on open items.
- **Employee engagement** — direct, positive engagement with employees on safety concerns, coaching on safe work practices, and relaying issues and trends to the EHS Manager.
- **Incident support** — assisting the EHS Manager with incident and near-miss investigations, employee and witness interviews, scene documentation, and corrective-action tracking.
- **Training support** — toolbox talks, safety huddles and new-hire safety orientation as directed; the right candidate can deliver additional training as Sartori's needs develop.
- **Documentation** — observation logs, inspection records and investigation notes maintained in the format Sartori specifies; weekly summary to the EHS Manager.

CANDIDATE QUALIFICATIONS

- OSHA 30-Hour General Industry card (current) and a minimum of 1–2 years' hands-on safety technician experience.
- Current First Aid / CPR / AED certification.
- Experience in manufacturing or food-processing environments, with awareness of GMP, sanitation and hygiene-zone requirements.
- Background check, drug screen and credential verification completed before assignment.
- Resume and credential documentation provided for Sartori's review; candidates made available for interview before selection.

TERMS

Employer of record	3P Safety is the employer of record for the assigned technician and carries payroll, statutory Workers' Compensation and general liability insurance. A certificate of insurance naming Sartori Company is issued on award.
Invoicing & payment	Invoiced weekly against Sartori-approved timesheets. Payment terms Net 30 from the invoice date.
No minimum term	The assignment may run for any duration Sartori requires. Either party may end it with 5 business days' written notice.
Direct hire	Should Sartori decide to bring the placed technician onto its own payroll, there is no conversion, placement or buyout fee. Billing simply stops on the transition date.
Replacement	If a technician is not the right fit, 3P Safety will provide a replacement candidate at no additional cost.
Holidays & cancellations	Hours worked on Sartori-observed holidays bill at the weekend rate. Scheduled shifts cancelled by Sartori with less than 24 hours' notice bill at the shift minimum.
Quote validity	This quote is valid for 30 days from the date above.
